## General Information

|                          |                                         |
|--------------------------|-----------------------------------------|
| SKU                      | 246710                                  |
| EAN                      | 8719514431683                           |
| Manufacturer Code        | 43168300                                |
| Brand                    | Philips                                 |
| Manufacturer Name        | MAS LEDtube 1500mm UE 17.6W 840 T8 EELA |
| Full box quantity        | 10                                      |
| Any Lamp all-in warranty | 5 Years                                 |
| Energy efficiency class  | A                                       |
| Average Lifetime (h)     | 100000                                  |
| Voltage (V)              | 220-240                                 |

## Technical Information

|                             |                 |
|-----------------------------|-----------------|
| Technology                  | LED             |
| Replaces (Watt)             | 58              |
| Wattage                     | 17.6W           |
| Dimmable                    | Not Dimmable    |
| Cap / Base                  | G13             |
| Rotatable                   | Yes             |
| Colour Code                 | 840 Cool White  |
| Colour temperature (Kelvin) | 4000 Cool White |

|                          |              |
|--------------------------|--------------|
| Colour Rendering (Ra)    | 80-89        |
| Colour of Light          | White        |
| Light colour options     | Single Color |
| Luminous Flux (Lumen)    | 3700lm       |
| Luminous Efficacy (lm/W) | 210          |
| Power factor             | >0.90        |
| Product Type Category    | LED Tube T8  |
| Type of sensor           | No Sensor    |

## Lamp Information

|                       |                                                                       |
|-----------------------|-----------------------------------------------------------------------|
| LED Starter included  | Yes                                                                   |
| Requires Ballast      | No                                                                    |
| Ballast for LED Tubes | Conventional – there is a starter, Mains – Directly connected to 230V |
| LED Tube Output       | Ultra Efficiency                                                      |
| Bulb finish           | Frosted                                                               |
| Operating Temperature | -20 to +45                                                            |
| Housing               | Plastic                                                               |
| Series                | Master                                                                |

## Dimensions

|               |       |
|---------------|-------|
| Length        | 150cm |
| Length (mm)   | 1514  |
| Diameter (mm) | 28    |

## Why Any-lamp?

|       |         |
|-------|---------|
| Shape | Tubular |
